

ATHARVA
THE SOCIETY OF CIVIL ENGINEERS
JAIN (Deemed-to-be) UNIVERSITY

शक्तिः दुर्दम्येच्छाशक्त्याः आगच्छति

Strength comes from an indomitable will

Atharva, “The Society of Civil Engineers” born under the aegis of ‘School of Civil and Environmental Engineering, Jain University’ is a resilient & dynamic organization run by young minds, the Civil engineers of tomorrow, started in 2012. The students here maximize the utility of their calibre, by various means creative conducting technical events, diverse range of competitions, workshops, Seminars, Webinars, Industrial Visits so on & so forth.

Our vision is to reach every interested student, professor, personnel from the industry, to pool their resources together to bring up solutions to the most important challenge in India’s development. We focus to create a platform for the students to showcase their talent in civil engineering and help them over-reach in this field. Adding to the successful and triumphant editions to its grandeur, we are all set with its new and exalted levels of zeal, enthusiasm and passion to march ahead as a flag bearer continuing its glorious lineage and legacy.

PREAMBLE

A COMRADSHIP, REVITALIZING & INSPIRING, THE MINDS OF YOUNG STUDENTS. BY WHICH WE BELIEVE THE INSTITUTION TO SET A NEW BENCH-MARK AND STAND BEFORE THE WORLD AS AN INFLUENCER.

RIGHT FROM INCEPTION, ATHARVA SHALL NOT BE VIEWED AS A SECTORAL ACTIVITY BUT AS A DYNAMIC POWERHOUSE REINVIGORATING EVERY FIELD OF THE CIVIL ENGINEERING ACTIVITY THERE, BY MAKING IT INCUMBENT FOR THE FELLOW ENGINEERS-TO-BE.

OUR PRINCIPLE IDEA IS TO INDUCE THE INSTITUTION & THE STUDENTS TO THE PINNACLE OF VIRTUE, VERILY THIS IS ONE INSTITUTION, NATIONAL AS WELL AS A GLOBAL MISSION. IF EVER THERE WAS ONE.

“ENGINEERING IS A FORM OF ART AND HAS FILLED THE WORLD WITH THINGS OF OBVIOUS VISUAL BEAUTY BUT ALSO WITH SUBTLE FORMS”

~LOUIS BROWN

The Atharva Body

The Atharva body consists of five teams:

- Think Tank and Content Creation Team
- Technical Research Team
- Event Organization Team
- Networking Team
- Industrial Visit Team

Think Tank and Content Creation Team: Group of students who shall plan and discuss all the developmental activities. This group will also handle the design and content writing of events organized.

Technical Research Team: This team which will look for various opportunities in research work and various other opportunities in publishing papers as per the student's interest.

Event Organization Team: This team will be very broadly classified to organize each of respective events in and out of our campus like Seminars, Conferences, Workshops and other cultural & recreational events.

Networking Team: To build a wide network of students with an objective of connecting Civil Engineers and professionals associated with the civil industry in campus and across the globe.

Industrial Visit Team: Team of students with a motive of exploring & visiting different exhibitions, industries, sites as such to develop practical experience and expertise in various domains of the civil industry.

The Board of Chiefs

- President: Adhitya S.
- Chief of Operations and Organizing: Manish Patel K
- Chief of Networking: Jeevan Jeejo
- Chief of Tech Research & Certifications: Sandeep George
- Chief of Finance: Snigdha A.

Affirmations of Honorary Faculty Members of the Department of Civil Engineering are:

Dr. Dushyanth V Babu R
H.O.D

Prof. Pavan P.S.
Faculty – Advisor

Prof. Gautham Krishna
Faculty Co-ordinator

Faculty of Engineering and Technology, JAIN (Deemed-to-be University)

Professional Bodies Association

- Indian Concrete Institute (ICI)

Indian Concrete Institute

- Institute of Civil Engineers (ICE), UK

Student Chapter
Network

ICE Student Chapter committee for 2021/22

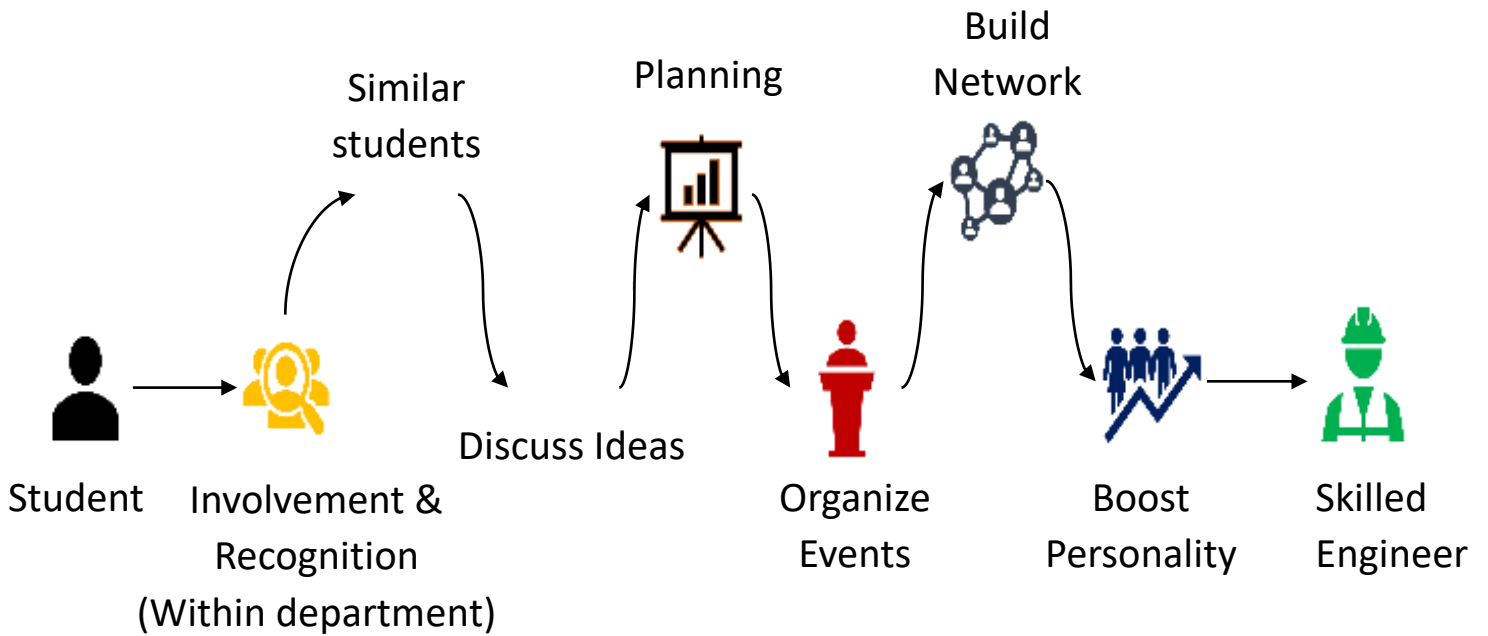

Position	Name	Email	ICE ID no.
President	P. Krupa	krupapaaru1012@gmail.com	93494484
Vice President	Adhitya S	adhityasivakumar@gmail.com	93494493
General Secretary	Manish Patel	manishpatel1773@gmail.com	93494504
Events Officer	Tharun J	tharunjanakiram@gmail.com	93494684
Treasurer	Snigdha Ailneni	snigdhaailneni@gmail.com	93494496
Media Officer	Sushant Mandal	xux99302@gmail.com	93556130
Project Superintendent	Jeevan Jeejo	jeevanjeejo999@gmail.com	93494497
Publicity Officer	Tazzi Ahmed	ahmedtazzi@gmail.com	93553039

Faculty Advisors:

1. Prof. Pavan P S – ps.pavan@jainuniversity.ac.in
2. Prof. Gautham Krishna – k.gautham@jainuniversity.ac.in

ROAD MAP

FUTURE PLANS

- Conduct awareness programs – Social responsibilities
- Workshops to provide hands-on experience
- Collaborations with other Universities and Colleges through ICE Student

Chapter

- Walkathons
- Techno-fest

Glimpse of Activities Conducted

Vision 2020 is an exclusive resolution by Atharva on February 20, 2019. It is a comprehensive plan & a prospective thought for career enhancement by & for all the civil Engineering students from the Jain University.

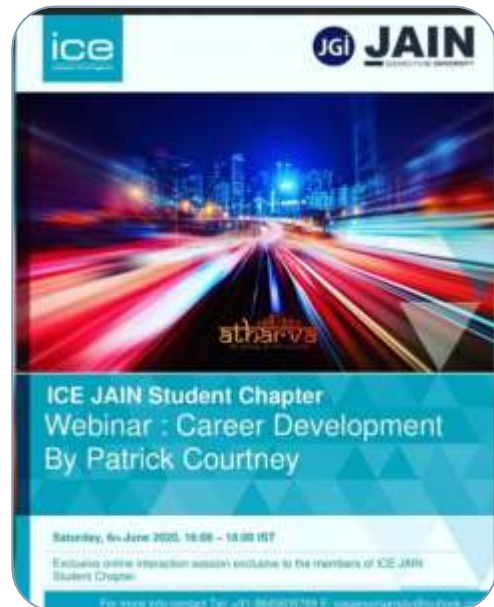

Seminar Program of ICI

Inaugural Programme of ICE Student Chapter

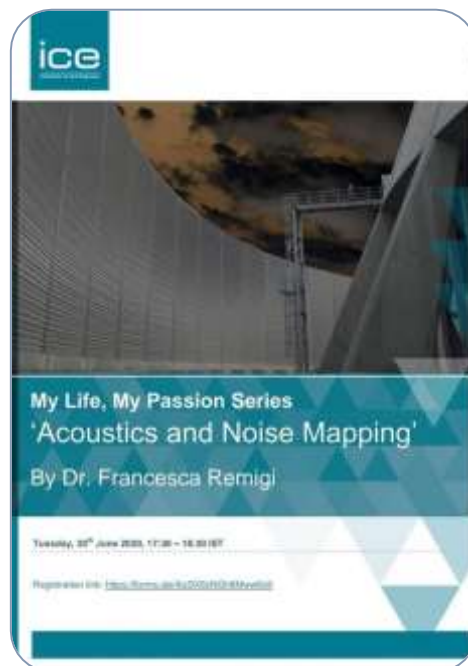

Webinar on “Why Civil Engineering?”

Webinar on “Career Development by Patrick Courtney”

International Student Webinar Series and Q&A with ICE President Paul Sheffield

Webinar on “My Life, My Passion Series – Acoustics and Noise Mapping by Dr. Francesca Remingi”: Spoke about one of her projects on ‘Noise Mapping and Vibrations’.

Field Trip at Basant Bentons Landscaping Products

Webinar on “Sustainability”

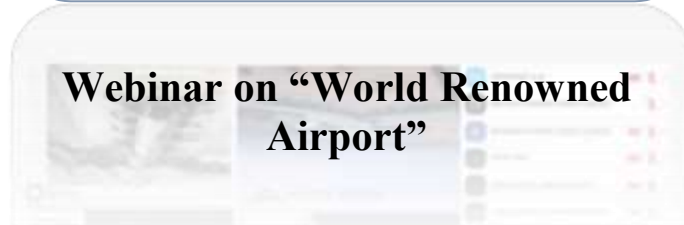

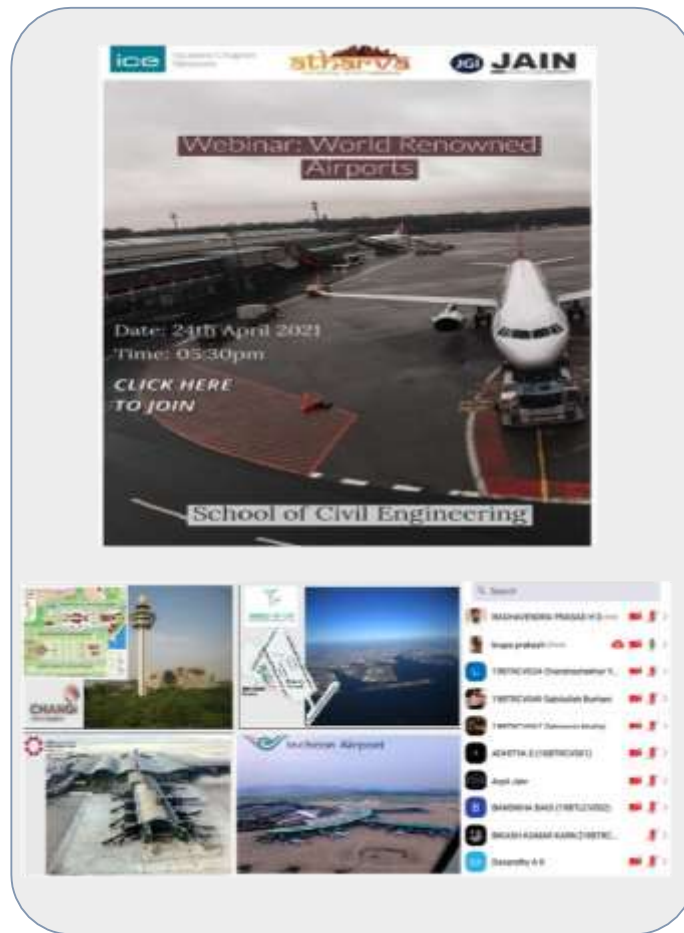

Webinar on “EIA- Draft 2020 & Multiple Impacts of Industries”

Online Guest Talk “Look Up Higher”

Webinar on “Tallest Building Structures”

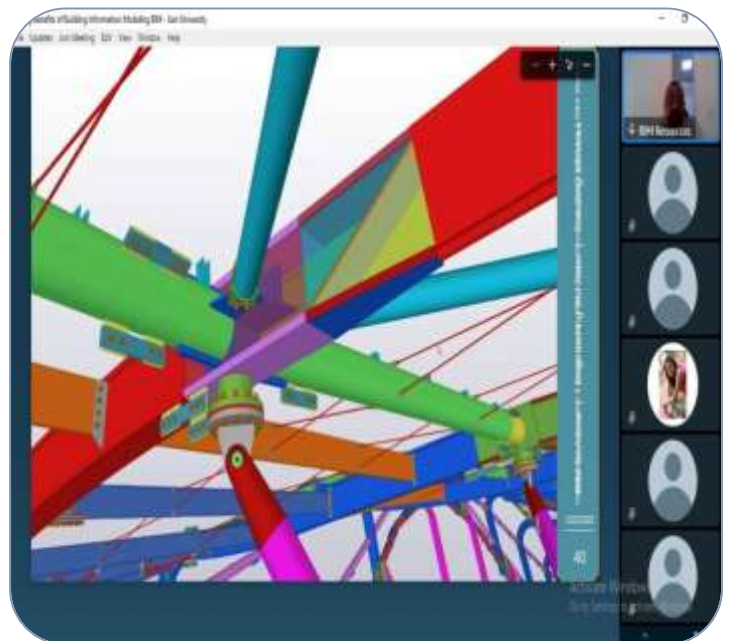

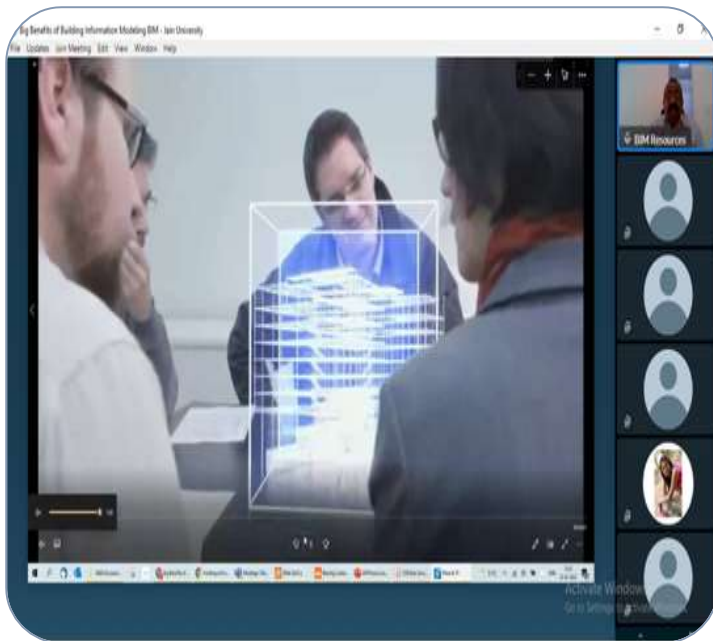

Webinar on “World Renowned Airport”

Webinar on “BIM-Future of construction Industry”

Webinar on “Mega Structure”

Webinar on “Big Benefits of Building Information Modelling – BIM”
