

Local Guardians

Students need to give the address, phone numbers of their local guardians (LG) at the time of the admission. They can be changed only on the request of the parents. The local guardian should be an elderly (above 35 years) person. The age factor may be relaxed only in the case of LG being the own brother/ sister working in Bangalore. The LG will have to respond to the request of the hostel authorities from time to time. Parents to note that students studying in this college cannot be nominated as local guardians of their ward. It is advisable to nominate married person as the local guardian for both boys and girls.

Students are allowed to visit the LGs with prior permission, only once a week. They will have to seek permission of the warden, to visit the LG, in the prescribed format one day in advance. While returning, the signature of the LG is to be obtained in the prescribed format. Anybody visits the LG without the permission of the warden the same will be treated as violation of rules. Only on Saturday or Sunday students can go out for any purchase/ entertainment with the written permission of the Warden. They should return before the specified time. As soon as they return they should register their return with the warden.
