

Use of hostel property

- Students are the custodians of the hostel property. They are expected to hand over the same in good condition for the future users.
- Students should keep their rooms as well as surroundings neat and tidy.
- Students shall take utmost care to safe guard the appliances like electrical and sanitary fittings, furniture etc. provided to them in the hostel
- Students are advised not to leave the water taps open, keep the lights and fans on when not in use. Such acts shall attract fine on those who are found guilty.
- Incase of any loss or damage of hostel property, the cost will be recovered from their caution deposit jointly or singularly as the case may be.
